

S3 MEETING MINUTES

MAY 01, 2007

Meeting called to order at 7:53 by Pete Casti.

Prior minutes were verbally recalled from Pete's memory:

We're looking for a bigger trailer

Spring Fling is coming up

We set a \$5 entry fee for both flying classes

Pete owes the club \$60

Treasurer's Report: Balance is about \$3,200

Correspondence:

Pete needs to mail a copy of our insurance voucher to the field owners - Dan Hickey and Evans.

Lee had some emails asking about the Gala contest. Maybe next year...

The Carson club is raising its dues from \$35 to \$50 in anticipation of loosing its field.

Old Business:

Discussion a bout at the flying field: If we had a bigger membership, we could talk to the parks department about land in Washoe Valley.

Jim Brady said "If you can find me a 10 acre piece of land in Washoe Valley for \$300K, I will buy it and lease it to the club for \$200/ year."

Ed Evans, who owns the land we fly on now, said they are not developing the field for now - too much money is needed to secure a bond (\$800K) to develop power/water/etc., and the land must be sold in 10 acre lots, which isn't practical for developers.

New Business:

Various discussions about repairing stuff.

Gala 2008 ???

Meeting adjourned at 8:35
