

S3 MEETING MINUTES

DECEMBER 04, 2007

Meeting called to order at 7:32 by Pete Casti. with 9 members present.

Discussion about new officer positions. Jim and Pete argued about how Jim almost lost his highly coveted job as treasurer last month. Oliver showed his appreciation toward Jim for staying treasurer for another year. Jim vacillated between being "railroaded" into the position and not wanting to give it up.

November minutes were read.

Treasurer's Report: Balance is \$3,349.00.

Correspondence: none

Old Business:

Letter for donations and flyer for raffle still need to be done.

Raffle - Adam has started purchasing raffle prizes.

Man on man - Oli asked questions about how it works. Pilots don't have to launch at the exact same time, just within a certain window, like 30 seconds. Lee needs to meet with Dudley to find out the details. Jim suggested it might be better to stick with a contest format that we've already done instead of a format that might be better suited for a larger club. Lee said he's open to anything at this point.

Some discussion about buying another winch, possibly the one owned by Leonard/Scotty. Also discussion about a new trailer. Oli said we need to put a wanted ad on Craig's List if we really want one, because 10 x 6 trailers sell the day they are listed.

New Business:

Jim brought up the fact we got lots of donated planes so do we need to spend as much money on other planes. Pete reminded everyone the \$800 was set as a maximum, and we don't need to spend all of it.

Marston will send info about the S3 web site to interested members.

Gala

See discussion above.

Meeting adjourned at 8:14
