

S3 Meeting Minutes October 04, 2016

Meeting called to order at 7:37 pm with eight members present.

Correspondence

None

Treasurer's report

None

Old Business:

We will fix up the little trailer and put solar panels on it, and replace the lid with something lighter, for the 2017 contest year.

We will keep the winches from the sold trailer for spares. They're not worth anything on the current market. FAA backed down on their 400 ft limit. In Nevada you can't fly within 5 miles of an airport without written permission from the airport.

New Business:

Last contest of the year is this Sunday, October 9th. Adam will bring hot dogs. If the weather is good we will do an ALES funfly/contest.

Banquet/Raffle: Motion made and approved to spend \$700 (limit) on raffle, same as last year. Marston and Adam will work on it.

Voting of officers:

Motion was made to keep all the officers the same. Seconded and unanimously voted in favor.

AMA membership renewal is coming soon.

meeting adjourned 8:13
